

About the Friends of the High Point Theatre

Who are the Friends? We're the volunteers who greet you at the door, take your tickets, give you your theatre program and show you to your seat. We serve you in concessions. We do our part to make your visit to the High Point Theatre a pleasant and enjoyable experience.

Providing thousands of hours of usher service for the many diverse events at the High Point Theatre is our major focus, but the Friends support local performing arts in other ways as well. For example, the annual Tiny Tim project gives underprivileged kids a chance to see the North Carolina Shakespeare Festival's production of Charles Dickens' A Christmas Carol.

We also contribute to other worthy events and present a scholarship each year to a local student in the performing arts. We fund various special projects to improve service at the Theatre and sponsor the Cabaret performances each July as a major fund-raising effort.

Our Christmas party and the pot-luck dinner at the Annual Meeting in May are favorite events of many members.

If you would like to support the local performing arts and, at the same time, enjoy those performances, become a member of the Friends of the High Point Theatre, Inc. You can usher at the performances of your choice,

help with our newsletter or serve refreshments at one of our fund-raisers. *Please join us!*

About the Friends Board

The business of the Friends organization is managed by a 13-member Board of Directors which is elected from the membership and meets monthly to discuss the needs and progress of the Friends.

The Director of the High Point Theatre and the Theatre House Manager serve as liaisons to the Friends Board.

The Board always welcomes and encourages suggestions and ideas from the general membership.

About the High Point Theatre

Located within the International Home Furnishings Center in downtown High Point, the High Point Theatre is one of the finest stage facilities in the Triad. Owned and operated by the City of High Point, the Theatre represents a unique partnership between municipal government and the arts.

With a seating capacity of 967, the proscenium theatre features exceptional technical capabilities and a comfortable, intimate setting for performing arts events. Various professional and amateur events are held there annually.
