About the Friends of the High Point Theatre

Our Purpose-To encourage and stimulate interest in and support of the High Point Theatre; to assist it's staff by a non profit plan to promote theatrical events; and to offer suggestions for scheduling events of special interest.

What we do— We volunteer thousands of hours of usher service for the many diverse events at the High Point Theatre. It's a great way to see some wonderful shows while providing a service to the Theatre and keeping cost down for our patrons.

Each year we present a scholarship to a local student in the performing arts. We fund various projects to improve service at the Theatre and sponsor the Cabaret performances as a major fund-raising effort every year.

Friends Board

The business of the Friends organization is managed by a 13-member Board of Directors which is elected from the membership and meets monthly to discuss the progress and needs of the Friends.

The Director of the High Point Theatre and the Theatre House Manager serve as liaisons to the Friends Board.

The Board always welcomes and encourages suggestions and ideas from the general membership and theatre patrons.

Name _____

Address _____

City _____

State _____ Zip _____

Facts about the High Point Theatre

Located within the International Home Furnishings Center in downtown High Point, the High Point Theatre is one of the finest stage facilities in the Triad. Owned and operated by the City of High Point since 1975, the Theatre represents a unique partnership between municipal government and business.

With a seating capacity of 967, the proscenium theatre features exceptional capabilities and a comfortable, intimate setting for performing arts events. Various professional and amateur events are held annually.
